Summary

Linxx is a well run, lean company with an excellent past performance record. The value we deliver to our customers can be summed up in one word, commitment. We are dedicated to improving the security of America and her allies through insightful analysis, creative product development, and exceptional customer service. To that end, we employ a large number of former service men and women who leverage their considerable experience and knowledge to accurately address the challenges facing our U.S. Government customers. In addition to these talented veterans, Linxx employs intelligent, business-minded professionals who understand program management, risk mitigation, and quality assurance. Our service offerings are divided into three categories: Training Services, Professional Services and Technical Services
