

Linxx Global Solutions

Linxx Global Solutions, Inc. (Linxx) is a service-disabled veteran-owned business with offices across the United States and in Dubai, United Arab Emirates. Our growing national and international business operations are managed from our corporate headquarters in Virginia Beach, Virginia. Over the last 16 years, Linxx has offered a wide range of educational, training, professional, and program management services around the world. We support all branches of the Department of Defense (DoD); the intelligence community; U.S. Department of Homeland Security; and other federal, state, and local agencies.

Special Studies

Linxx manages a significant pool of talented experts that represents considerable knowledge in areas such as terrorism, counterterrorism, light infantry operations and equipment, man-pack communications, field medicine, homeland security, maritime infrastructure security, vessel defense and security, and all aspects of military leadership. Linxx applies traditional and nontraditional methods to arrive at distinctly unique and insightful outcomes. Our approach takes into account budget constraints, critical path project management, and attainment of our customer's expressed objectives.

This Linxx capability supports the following areas:

- Modeling and simulation support for strategic, operational, and tactical organizations
- Exercise- and scenario-driven design support
- Infrastructure vulnerability assessments
- Executive and general security assessments
- Process gap analysis (e.g., security, training, education, quality assurance, etc.)
- Multi-agency and joint service interoperability assessment
- Research and development of tactical infantry equipment, materials, and technology.

Summary

Linxx is a well run, lean company with an excellent past performance record. The value we deliver to our customers can be summed up in one word, commitment. We are dedicated to improving the security of America and her allies through insightful analysis, creative product development, and exceptional customer service. To that end, we employ a large number of former service men and women who leverage their considerable experience and knowledge to accurately address the challenges facing our U.S. Government customers. In addition to these talented veterans, Linxx employs intelligent, business-minded professionals who understand program management, risk mitigation, and quality assurance. Our service offerings are divided into three categories: Training Services, Professional Services and Technical Services.
